

Sacred Heart Petone

Wheels Day

Wednesday 4th March

Kia ora koutou,

Wow, congratulations to all our students here at Sacred Heart Petone!

By working together and showing our school values we have made it to the next level in our whole school reward system.

This means on **Friday 13th March** we are having a '**Wheels Day**' for everyone.

Juniors and Seniors will have separate times to avoid overcrowding and all students must bring the **correct safety gear** (no helmet no riding).

So bring along your skates, skateboard, bikes, scooters or any other wheels you have.

Students may come in school PE gear.

Well done everyone.
