Malo ni Parents and friends,

It was great to see all the smiling faces coming in the gate Monday morning. Thank you to all of you for supporting our "Kiss and Go" Drop off in the morning. The children settled in very quickly and we talked about our "moist breath zone" and hand washing at school prayer. Thanks to Kakapo class for leading us so well in prayer.

We offer our prayers and sympathy to the Griffiths' family on the death of Carey's mother. Congratulations to the Jeffries family on the safe arrival of their new daughter and sister.

Thanks to everyone who was wearing winter uniform. We are awaiting stock at the uniform shop and we are taking orders for winter uniform. Over the next 2 weeks it would be great if all children are wearing the correct footwear. We appreciate that you haven't been able to get to the shoe shops over the past 8 weeks. We do have a selection of shoes in the uniform shop. It was great to see all the smart haircuts. I think we all couldn't wait for that service to begin again!

We are not sure how long Level 2 will last but we will probably keep our new routines for pick up and drop off going until the end of term.

Netball Hutt Valley have notified us that NNZ have said Netball my start on or after June 19th. We will await further information from them regarding how this affects schools.

If you were a Touch coach in Term 1 and you still have your team bag, could you please return it to school. Thanks to those people who have returned their bags to school already.

We know that due to Covid19 many people's circumstances have changed. Please contact us if you need any sort of assistance over the next few months and we will do our best to help you out.

Pasifika Proud, our study centre cannot start until we find a registered teacher to run it. We have re-advertised in the Hutt News. If you know anyone who might be interested, please let me know.

College Enrolments for 2021: This is the time of year that Colleges are completing their enrolments for next year. You will need to get a new Preference form if your child is going to a Catholic college and please make sure you get your applications in on time as our Catholic colleges are very popular and are all at maximum capacity.

- ◆ **Easter Raffle** – Before lockdown our Easter raffle was underway. This is now going to be a **'Post Lockdown' Hamper Raffle.** If you still have your Easter Raffle tickets please try and sell them, we are not going to re issue new tickets, though I have a few spares if you would like some. If you are able to donate an item to the hamper, please send your item to the office (not Easter Eggs or chocolate!) On our first day back at school we welcomed Evie and her whanau to our Sacred Heart Petone Community

It was a little bit cold, but the sun shone for our first morning prayer and Whakataua on Monday morning.

Please remember to bring a 'named' coat or jacket to school.

Little Tags Make a Big Impact! The bread tags we collect are made of high impact polystyrene. They all go to South Africa, where they are made into seedling trays, picture frames, coathangers and other items, all to fundraise for providing wheelchairs for disadvantaged people in South Africa. And just as important, the bread tags are staying out of our landfills and the oceans!
